Dear colleagues,

We hereby cordially invite you to join us at the seventh International Web Conference Horizons of Art 7 / Horizonty umenia 7 organized by FMU AU and The OZ Koncertné združenie pri FMU AU in Banská Bystrica (Slovakia) in October 2020.

International Web Conference **Horizons of Art 7**

The conference provides space for authors, interpreters, artists, theorists and scientists, pedagogues, and organizers who want to share their articles with other professionals.

The aim of the conference is to present the opinions and results of artistic, scientific and pedagogical work in the field of mainly musical, but also visual art, dramatic, film, and dance art.

We will publish reviewed proceedings from the conference, which will be sent to every active participant by regular mail. Due to the growing interest of the contributors every year, the volume of the proceedings has increased considerably, and therefore, we decided to limit the length of the papers to max. of 8 pages. The Abstract proceedings will be distributed in printed form and the Paper proceedings will be enclosed in electronic form on a CD.
